

USERY MOUNTAIN CAMPOUT
Friday - Sunday, March 26th - 28th
Currently 4 sites reserved

Located on the Valley's east side, the park contains a large variety of plants and animals that call the lower Sonoran Desert home. Along the most popular feature of the park, the Wind Cave Trail, water seeps from the roof of the alcove to support hanging gardens of Rock Daisy. The Wind Cave is formed at the boundary between the volcanic tuff and granite on Pass Mountain. Breathtaking views from this 2,840-foot elevation are offered to all visitors.

You can arrive any time after Noon on Friday, March 26th. You will receive an email with your site number. Usery Mountain Park offers over 29 miles of trails for hiking, mountain biking and horseback riding. Park trails range in length from 0.2 miles to over 7 miles and range in difficulty from easy to difficult.

Saturday we are doing a Potluck dinner at 4:30 pm. We gather around the eating area at 3:30 pm for the social hour. Feel free to bring an appetizer and your drink of choice for our social hour. Water will be available.
